I have been pursuing my Engineering in Bhoj Reddy Engineering College for Women specialized in Computer Science Engineering. I am a practical knowledge seeker. As a part and parcel of my studying, I have been grabbing all the opportunities which I think I am good at. I always wanted to work in an environment where my skills and knowledge reflect the growth of the company and enhance my knowledge as well as experience.

Being a fresher, I have been consistently improving myself in learning new things. Tending to work more has become my passion which always motivates me to strive even better. Unlike quotidian, I do have a habit of learning something new, backed by training and guidance that I can fulfill by this opportunity. I am very passionate about my work.
